

Dependency Status Documentation

Requirements: Must be completed for anyone under age 25 in the following programs:

Youth Program: Dependent status must be documented for all WIOA eligible youth applicants, ages 14-24

Adult Program: Dependent status must be documented for all WIOA adults, ages 18-24, who are applying for WIOA adult-funded individual training accounts (ITAs).

Age: _____

Under 18

An individual **under 18** years of age is always considered to be a dependent child, unless the youth is **NOT** living with parents or guardians and is **NOT** receiving ANY support from them.

If BOTH are true, provide signed documentation, otherwise youth is dependent.

If 18-24, a participant is independent if answering **YES** to any question below and providing documentation:

Yes or No

_____ Are you married (including separated, but not divorced)?

_____ Do you live in your own residence or in a residence without financial or other support from parents or guardians?

_____ Are you on active duty in the U.S. armed forces for purposes other than training?

_____ Are you a veteran of the U.S. armed forces?

Use worksheet to document support for below questions:

_____ Do you provide more than half of your own support?

_____ Do you have children that receive more than half of their support from you?

_____ Do you have other dependents that receive more than half of their support from you?

If any question is answered YES, then individual is independent if supporting documentation is provided.
