WORKFORCE DEVELOPMENT BOARD ROLES AND RESPONSIBILITIES

- COVID NDWG funding: \$266,802, till 6/30/22 for dislocated workers. This funding was initially accepted due to the uncertainty of COVID and the multiple WARN notices received by various American Energy subsidiaries. Locally, we have been using these funds for the unemployment claimant outreach but no county has indicated need for program funding based on multiple offers to the counties. American Energy WARN notice times have past, state has not successfully communicated w/them under rapid response protocol but bankruptcy is completed per media. **COG Motion 18-20 to retain \$20,000 for outreach and return the remaining \$246,680 to the state so we can focus on spending carryover DW. Motion by: Tom Bragg; Second by: Ty Moore. Motion passed.**
